# Which brush is the one for you?

## Let's take the floor

The i-mop is a heavy-duty scrubber for hard floors with exceptional cleaning power for grouted surfaces and a special setting for moisture sensitive surfaces such as a wood and computer flooring. With the extensive range of brushes, pads and other accessories you can handle a wide variety of soil types, floor types, and cleaning applications.

### Brushes

**Soft brush**  
Meant for light duty cleaning. Use on timber and delicate floors.

**Natural hair brush**  
Used for rubber floors, cork floors and timber sports halls.

**Medium brush**  
Used for everyday scrubbing and cleaning. The **standard** brush supplied with i-mop.

**Hard brush**  
Great for use with deep cleaning including grout lines.

**L Low Density medium brush**  
This brush is used on sensitive surfaces.

**L Low Density hard brush**  
This brush is used on sensitive surfaces.

### Diamond pads

**Twister Green**  
Daily cleaning on stone, concrete, ceramic, vinyl, timber, rubber floors.

**Twister Orange**  
Non-homogenous ceramic tiles and renovation of Terrazzo, stone and concrete floors.

### Pad driver

Use in combination with all our pads

### Traditional pads (from least to most aggressive cleaning)

**White**  
Light buffing and Polishing.

**Red**  
Regular buffing and cleaning pad.

**Blue**  
Heavy cleaning pad, dull or unsealed floors.

**Green**  
Aggressive scrubbing pad, unsealed floors.

**Black**  
Very aggressive scrubbing and stripping.
